

Fill in the gaps

Days in (1) and nights in favor	(Mith a little (12)
Days in (1) and nights in fever	(With a little (12) a little luck)
Fall in Chinatown	We'll be (13) out of the dark
Flames and light, a silent fire	Say you will
Not a (2) sound	Say you'll come my way
(Who used to cry for love)	And (14) means forever
(Oh) Time and (3) again	(With a (15) a little luck)
I used to cry for (4) love	We'll be coming out of the dark
Tonight	Say you will
And we'll be together	Say you'll come
(With a (5) luck a little luck)	It's like a wave
We'll be coming out of the dark	That (17) my skin
Say you will	And I'll let you stay
Say you'll (6) my way	And we'll be together
And this (7) forever	And we'll be together
(With a (8) luck a little luck)	(With a little luck a (18) luck)
We'll be coming out of the dark	We'll be (19) out of the dark
Say you will	Say you will
Say you'll come	Say you'll come my way
Night is cold and (9) is flashing	And this means forever
In a lonesome dance	(With a little (20) a little luck)
I don't care 'cause you're beside me	We'll be (21) out of the dark
I can take my chance	Say you will
(Who (10) to cry for love)	Say you'll come
(Oh) Time and time again	And we'll be together
I used to cry for (11) love	(With a little luck a (22) luck)
Tonight	
And we'll be together
