

Fill in the gaps

Days in blue and nights in fever		(With a (9)	luck a little luck)
Fall in Chinatown		We'll be coming out of the dark	
Flames and light, a (1)	fire	Say you will	
Not a single sound		Say you'll come my way	
(Who (2) to cry for love)		And this means forever	
(Oh) Time and time again		(With a little luck a little luck)	
I used to cry for some love		We'll be coming out of the dark	
Tonight		Say you will	
And we'll be together		Say you'll come	
(With a little luck a little luck)		It's like a wave	
We'll be coming out of the dark		That touched my skin	
Say you will		And I'll let you stay	
Say you'll (3) my way		And we'll be together	
And this means forever		And we'll be together	
(With a little (4) a little luck)		(With a little luck a little luck)	
We'll be coming out of the dark		We'll be coming out of the dark	
Say you will		Say you will	
Say you'll come		Say you'll come my way	
Night is (5) and moon is flashing		And (10) means forever	
In a lonesome dance		(With a little luck a little luck)	
I don't (6) 'cause you're (7)	me	We'll be coming out of the	dark
I can take my chance		Say you will	
(Who used to cry for love)		Say you'll come	
(Oh) Time and time again		And we'll be together	
I used to cry for (8) love		(With a little luck a little luck)	
Tonight			
And we'll be together
