The Blood That Moves The Body by A-ha

It's the way we feel	It's the way we feel
Tonight	Tonight
As if it's all unreal	
All right	(The (13) (14) moves the body)
My love	(The (15) that (16) the body)
Won't you come back to	Not (17) ago
Our love	It hurt us so
You know I'll react to	A (18) through our lives
The (1) that moves my body	The love and care
Now covers the	The way we were
Ground	Now lost it's way at nights
(The blood (2) moves the body)	It's the way we feel
(The blood (3) moves the body)	Tonight
There's (4) to go	Lend some warmth to our cold
Tonight	And lonely lives
Lend (5) warmth to our cold	My love
And (6) lives	Won't you (19) to
Red stains	Our love
On "Eyes of a (7) dog"	You know we'll react to
My pains	The blood that (21) our bodies
Fade as the interiors fog	Now covers the ground
The blood that moves my body	Now covers the ground
Now colours the	Covers the ground
Ground	(The (22) that moves the body)
(The blood (8) moves the body)	Covers the ground
(The blood that (9) the body)	(The blood (23) moves the body)
Not long ago	Covers the ground
It hurt us so	(The blood that (24) the body)
A (10) our lives	(The blood that moves the body)
The (12) and care	
The way we were
