

## Fill in the gaps

Bat your eyes girl
Be otherworldly
Count your blessings
Seduce a stranger
What's so wrong with bein' happy?
Kudos to those who
See through sickness, yeah
Over and over and over
She (1) in the morning
She knew that her life had passed her by
And she called out a warning
Don't ever let life pass you by
I suggest we
Learn to (2) ourselves (3) it's
Made illegal
When (4) we learn? (when will we learn?)
When will we change? (when will we change?)
Just in time to see it all come down
Those left standing
Will (5) millions
Writing (6) on the way it (7)
have been

She woke in the morning		
She knew (8)	her life had passed her by	
And she called out a warning		
Warning		
Don't ever let life pass you by		
Floating in this		
Cosmic Jacuzzi		
We are like		
Frogs oblivious		
To the water		
Starting to boil		
No one flinches		
We all float face down		
She woke in the morning		
She knew that her life ha	d (9) her by	
And she called out a war	ning	
Warning		
Don't ever let life pass yo	ou by	
Pass you by		
(Ohh, ohh, ohh)
