

## Fill in the gaps

| Tonight we drink to youth                       | But sometimes it's a good hurt      |
|---|-------------------------------------|
| And (1) fast to truth                           | And it feels like I'm alive         |
| Don't wanna (2) (3) I had as a boy              | Love sings                          |
| My heart still has a (4) but love is now a feat | When it (22) the bad things         |
| As common as a cold day in LA                   | Have a (23) and try me              |
| Sometimes (5) I'm alone I wonder                | 'Cause without love I won't survive |
| Is there a (6) that I am under                  | Without (24) I won't survive        |
| Keeping me (7) (8) the                          | Love hurts                          |
| (9) thing?                                      | But sometimes it's a good hurt      |
| Love hurts                                      | And it feels like I'm alive         |
| But (10) it's a (11) hurt                       | Love sings                          |
| And it (12) like I'm alive                      | When it transcends the bad things   |
| Love sings                                      | Have a heart and try me             |
| When it (13) the bad things                     | 'Cause without love I won't survive |
| Have a heart and try me                         | Love hurts                          |
| 'Cause (14) love I won't survive                |                                     |
| I'm fettered and abused                         | Love hurts                          |
| Stand (15) and accused                          | Without (25) I won't survive        |
| Should I surface (16) one man submarine?        | Love hurts                          |
| I (17) want the truth                           |                                     |
| So tonight we (18) to youth                     | Love hurts                          |
| I'll never lose what I had as a boy             | Without love I won't survive        |
| Sometimes (19) I'm alone, I wonder              |                                     |
| Is there a spell that I am under                |                                     |
| Keeping me from (20) the (21)                   |                                     |
| thing?  |                                     |
| Love hurts                                      |                                     |
