

Fill in the gaps

From the get-go, I knew (1) was hard to hold	vve re (19) a time bomb
Like a crash, the whole thing (2) out of control	Gonna lose it
(Oh) on a wire, we were dancing	Let's diffuse it
Two kids, no consequences	Baby, we're like a (20) bomb
Pull the (3) without thinking	But I need it
There's only one way down this road	Wouldn't have it any (21) way
It was like a (4) bomb set into motion	Got my heart in (22) hands
We knew that we were destined to explode	Like a (23) bomb ticking
And if I had to pull you out of the wreckage	It goes off; we (24) again
You know I'm never (5) let you go	When it breaks, we fix it
We're (6) a time bomb	Got your heart in my hands
Gonna (7) it	Like a time bomb ticking
Let's (8) it	We should (25) better
Baby, we're like a (9) bomb	But we won't let go
But I need it	It was like a time bomb set into motion
Wouldn't have it any other way	We knew that we were destined to explode
Well, there's no way out of this, so let's stay in	And if I had to pull you out of the wreckage
Every storm (10) (11) also comes to	You know I'm never gonna let you let me go
an end	We're like a time bomb
(Oh) resistance is useless	Gonna lose it
Just two kids (12) and fearless	Let's diffuse it
Like a bullet shooting the lovesick	Baby, we're like a (26) bomb
There's only one way (13) (14) road	But I need it
It was like a time bomb set into motion	Wouldn't have it any (27) way
We knew (15) we were (16)	
to explode	
And if I had to pull you out of the wreckage	
You know I'm (17) (18) let you go
