

## Fill in the gaps

How the (1) passed away	Years go by and time just (13) to fly
All the trouble (2) we gave	But the memories remain
And all (3) (4) we (5)	In the middle of September
out by the lake	We still played out in the rain
Has it all gone to waste?	Nothing to lose but everything to gain
All the (6) we made	Reflecting now on how (14) could've been
One by one they (7) just the same	It was (15) it in the end
All the things I still remember	Yeah, We knew we had to leave (16) town
Summers never looked the same	But we never (17) (18) and we never
Years go by and time just (8) to fly	(19) how
But the memories remain	We (20) end up (21) the way we are
In the (9) of September	We knew we had to (22) this town
We still played out in the rain	But we (23) knew when and we
Nothing to (10) but everything to gain	(24) (25) how
Reflecting now on how things could've been	All the things I still remember
It was worth it in the end	Summers (26) look the same
Now it all seems so clear	Years go by and time just seems to fly
There's nothing left to fear	But the memories remain
So we (11) our way by finding (12) was	In the middle of September
real	We (27) played out in the rain
Now the days are so long	Nothing to lose but everything to gain
That summer's moving on	Reflecting now on how things could've been
Reach for something that's already gone, yeah	It was worth it in the end
All the things I still remember	
Summers never look the same
