

I'm tired of waiting
An' closing my eyes
I'm asking myself

## Fill in the gaps

Why is it all my horizons		
Are so far away		
I look in the mirror		
Don't like what I see		
In my reflection		
A stranger is staring at me		
Looking for love		
The love of a woman		
The needs of a man		
And I try so hard to believe		
But I don't understand		
The search goes on		
But over the mountains		
Across the sea		
I (1) love is waiting		
I hear it calling to me		
Calling my name		
I'm (2) for (3) all around me		
Looking for love to surround me		
The love that I need		
To rescue the state of my heart, yeah		
Alone again, it's always the same		
Well, I've just been marking my time		
Since the day I was born		
With no one to blame		
The candle is burning		
It's way down low		
I just need someone		
To show me the way		
The way to go, which way to go		
I'm looking for (4) all around me		
Looking for love to surround me		
The (5) that I need		

To rescue the state of my	neart	
I'm (6)	for love	
An' finding only heartache	e	
I'm looking for love		
An' finding only heartache		
I'm looking for love to rely	on on	
Looking for love, a should	der to cry on	
I'm (7)	for love	
To rescue the state of my	heart	
To rescue the state of my	heart	
I'm looking for love		
An' finding only heartache	e	
I'm looking for love		
An' finding only heartache	e	
I'm looking for love to rely	on on	
Looking for love, a should	der to cry on	
I'm looking for love		
To rescue the state of my	heart	
I'm looking for love		
An' finding only heartache	e	
I'm looking for love		
An' finding only heartache	e	
I'm (8)	for love to rely on	
Looking for love, a should	der to cry on	
I'm looking for love		
To rescue the state of my	heart	
To (9) the	e state of my heart	
To rescue the state of my	heart	
To rescue the state of my heart
