

## Over You by Daughtry

Now that it's all said and done  
I can't believe you were the one  
To build me up then tear me down  
Like an old abandoned house  
And (1)\_\_\_\_\_ you said when you left  
Just left me cold and out of breath  
I fell too far, was in way too deep  
Guess I let you get the best of me...  
Well, I never saw it coming  
I should've started running  
A long, long time ago  
And I never thought to doubt you  
I'm better off without you  
More than you, more than you know  
I'm slowly getting closure  
I guess it's really over  
I'm finally getting better  
Now I'm picking up the pieces  
I'm spending all of these years  
Putting my heart back together  
'Cause the day I thought I'd never get through  
I got over you  
You took a hammer to these walls  
Dragged the memories down the hall  
Packed your bags and walked away  
There was nothing I could say  
And when you slammed the front door shut  
A lot of others opened up  
So did my eyes so I could see  
That you never were the best for me  
Well, I never saw it coming  
I should've started running  
A long, long time ago  
And I never thought to doubt you  
I'm better off without you  
More (2)\_\_\_\_\_ you, more than you know
