

Over You by Daughtry

Now that it's all said and done
I can't (1)_____ you were the one
To build me up then tear me down
Like an old abandoned house
And what you said when you left
Just left me cold and out of breath
I fell too far, was in way too deep
Guess I let you get the best of me...
Well, I never saw it coming
I should've started running
A long, long time ago
And I never thought to doubt you
I'm better off without you
More than you, more than you know
I'm slowly getting closure
I guess it's really over
I'm finally getting better
Now I'm picking up the pieces
I'm spending all of these years
Putting my heart (2)_____ together
'Cause the day I thought I'd never get through
I got over you
You took a hammer to these walls
Dragged the memories down the hall
Packed your bags and walked away
There was nothing I could say
And when you slammed the front door shut
A lot of others opened up
So did my eyes so I could see
That you never were the best for me
Well, I never saw it coming
I should've started running
A long, long time ago
And I (3)_____ thought to doubt you
I'm better off without you
More than you, more than you know
