

Fill in the gaps

Now that it's all (1) and done	I'm slowly getting closure
I can't believe you were the one	I guess it's really over
To build me up then (2) me down	I'm finally (15) better
Like an old abandoned house	Now I'm (16) up the pieces
And what you said (3) you left	I'm spending all of (17) years
Just left me cold and out of breath	Putting my (18) back together
I fell too far, was in way too deep	'Cause the day I thought I'd never get through
Guess I let you get the best of me	I got over you
Well, I (4) saw it coming	Well, I never saw it coming
I should've (5) running	I should've (19) running
A long, long time ago	A long, long (20) ago
And I never thought to doubt you	And I never thought to doubt you
I'm better off without you	I'm better off without you
More than you, more than you know	More (21) you, more (22) you know
I'm slowly getting closure	Well, I never saw it coming
I guess it's really over	I should've started running
I'm (6) (7) better	A long, long time ago
Now I'm picking up the pieces	And I never (23) to doubt you
I'm spending all of these years	I'm better off (24) you
Putting my heart back together	More than you, more (25) you know
'Cause the day I thought I'd (8) get through	I'm (26) getting closure
I got over you	I guess it's really over
You took a hammer to these walls	I'm finally (27) better
Dragged the memories down the hall	Now I'm picking up the pieces
Packed your bags and walked away	I'm spending all of these years
There was nothing I could say	Putting my heart back together
And when you (9) the front door shut	I'm putting my (28) back together
A lot of others opened up	'Cause I got over you
So did my eyes so I could see	I got over you
That you (10) (11) the best for me	I got over you
Well, I never saw it coming	'Cause the day I (29) I'd never get throu
I should've (12) running	I got over you
A long, long time ago	
And I never thought to (13) you	
I'm better off (14) you	
More than you, more than you know	

through
