Now that it's all said and done
I can't believe you were the one
To build me up then tear me down
Like an old abandoned house
And what you said when you left
Just left me cold and out of breath
I fell too far, was in way too deep
Guess I let you get the best of me
Well, I never saw it coming
I should've started running
A long, long time ago
And I never thought to doubt you
I'm better off without you
More than you, (1) (2) you know
I'm slowly getting closure
I guess it's really over
I'm finally getting better
Now I'm nicking up the pieces
Now I'm picking up the pieces
I'm (3) all of these years
I'm (3) all of these years
I'm (3) all of these years Putting my heart back together
I'm (3) all of these years Putting my heart back together 'Cause the day I thought I'd never get through
I'm (3) all of these years Putting my heart back together 'Cause the day I thought I'd never get through I got over you
I'm (3) all of these years Putting my heart back together 'Cause the day I thought I'd never get through I got over you You took a hammer to these walls
I'm (3) all of these years Putting my heart back together 'Cause the day I thought I'd never get through I got over you You took a hammer to these walls Dragged the memories down the hall
I'm (3) all of these years Putting my heart back together 'Cause the day I thought I'd never get through I got over you You took a hammer to these walls Dragged the memories down the hall Packed your (4) and walked away
