I've had enough, this is my prayer

That I'll die living just as free as my hair

I've had enough, this is my prayer

That I'll die living just as free as my hair

I've had enough, I'm not a freak

I'm just here fighting to stay cool on the streets

I've had enough, enough, enough

And this is my prayer, I swear

I'm as free as my hair

I'm as free as my hair

Fill in the gaps
