Hair by Lady Gaga

(Ooh, ooh, ooh, oh)

(Ooh, ooh, ooh, woah)

Whenever I'm dressed cool

My parents put up a fight

(Uh huh, uh huh)

And if I'm hot shot

Mom will cut my hair at night

(Uh huh, uh huh)

And in the morning

I'm short of my identity

(Uh huh, uh huh)

I scream Mom and Dad

Why can't I be who I (1)_____ be?

(Uh huh, uh huh) to be

I just wanna be myself

And I want you to (2)_____ me for who I am

I just wanna be myself

And I (3)_____ you to know

I am my hair

I've had enough, this is my prayer

That I'll die living just as free as my hair

I've had enough, this is my prayer

That I'll die living just as (4)_____ as my hair

I've had enough, I'm not a freak

I'm just (5)_____ fighting to stay (6)_____ on the streets

I've had enough, enough, enough

And (7)_____ is my prayer, I swear

I'm as (8)_____ as my hair

I'm as free as my hair

Fill in the gaps

I am my hair

I am my hair

(As free as my hair, hair, hair...)

(As free as my hair, hair, hair...)

Sometimes I want (9)_____ racoon or red highlights

(Uh huh, uh huh)

Just because I want my friends

To think I'm dynamite

(Uh huh, uh huh)

And on (10)_____ (11)_____ in (12)_____ school dance

(Uh huh, uh huh)

I got my bangs too hot

That I don't stand a chance

(Uh huh, uh huh) a chance

I just wanna be myself

And I want you to (13)_____ me for who I am

I just (14)_____ be myself

And I want you to know

I am my hair

I've had enough, this is my prayer

That I'll die living just as free as my hair

I've had enough, (15)_____ is my prayer

That I'll die living just as free as my hair

I've had enough, I'm not a freak

I'm just here fighting to stay cool on the streets

I've had enough, enough, enough

And this is my prayer, I swear

I'm as free as my hair

I'm as free as my hair

I am my hair

Fill in the gaps

I just want to be free

I just (17)_____ to be me

And I want lots of friends

Who invite me to their parties

I don't wanna change

And I don't wanna be ashamed

I'm the (18)_____ of my hair

It's all the glory (19)_____ I bare

I am my hair, I am my hair
