Fill in the gaps

One Day Like This by Sarah Brightman

Drinking in the morning sun	So throw (4) curtains wide
Blinking in the (1) sun	One day like this a year would see me right
Shaking off the heavy one	Throw those curtains wide
Oh, heavy like a loaded gun	One day like this a year would see me right
What made me behave that way?	Throw those curtains wide
Using words I never say?	One day (5) this a year would see me right
I can only think it must be love	Throw those curtains wide
Oh anyway	One day like this a year would see me right
It's looking like a beautiful day	Throw (6) curtains wide
Someone tell me how I feel	One day like this a year would see me right
It's (2) wrong, but vivid right	Throw those curtains wide
Oh, kiss me like the final meal	One day like this a year would see me right
Yeah, kiss me like we die tonight	Throw those curtains wide
'Cause holy cow, I love your eyes	One day like this a year would see me right
And only now I see the light	Throw those (7) wide
Yeah, lying with me half awake	One day like this a (8) would see me right
Oh, anyway	
It's looking like a (3) day
