Ships In The Night by Mat Kearney

Fill in the gaps

| Like (1) in the night | And I'm at the airport waiting on a second plane |
|--|--|
| You keep passing me by | Had to pack and you had cramps and I was late |
| We're just wasting time | Headed to a red carpet they won't know my name |
| Trying to (2) who's right | Riding in silence all that we wanna say |
| And if it all goes crashing into the sea | About to board when you call on the phone |
| If it's just you and me | You say "I'm sorry, I'll be (6) at home" |
| Trying to find the light | Feels like we're learning (7) out on our own |
| Like ships in the night letting cannon balls fly | Trying to (8) a way (9) the road we |
| Say what you mean and it turns to a fight | don't know |
| Fist fly from my mouth as it turns south | Turn the lights down low |
| You're down the driveway | Walk these halls alone |
| I'm on the couch | We can feel so far from so close |
| Chasing your dreams since the violent 5th grade | Like ships in the night |
| Trying to believe in your silent own way | You keep passing me by |
| 'Cause we'll be ok | We're just wasting time |
| I'm not going away | Trying to (10) who's right |
| Like you watched at fourteen | And if it all goes crashing into the sea |
| As it went down the drain | If it's just you and me |
| And pops stayed the same | Trying to find the light |
| And your moms moved away | Like ships in the night |
| How many of our parents | You're passing me by |
| Seem to make it anyway | You're passing me by |
| We're just fumbling through the grey | Like ships in the night |
| Trying find a (3) that's not walking away | And I'm gonna find my way |
| Turn the lights down low | Back to your side |
| Walk these halls alone | Like ships in the night |
| We can (4) so far from so close | You keep passing me by |
| Like ships in the night | We're just wasting time |
| You keep passing me by | Trying to prove who's right |
| We're just (5) time | And if it all goes crashing into the sea |
| Trying to prove who's right | If it's just you and me |
| And if it all goes crashing into the sea | Trying to find the light |
| If it's just you and me | Like ships in the night |
| Trying to find the light | You're passing me by |
| Like ships in the night | You're passing me by |
| You're passing me by | Like ships in the night |
| You're passing me by | |
| Like ships in the night | |
