## Ships In The Night by Mat Kearney

## Fill in the gaps

Like ships in the night	And I'm at the (6)	waiting on a second
You keep passing me by	plane	
We're just wasting time	Had to pack and you had cramps and I was late	
Trying to prove who's right	Headed to a red (7)	they won't know my
And if it all goes crashing into the sea	name	
If it's just you and me	Riding in silence all that we wanna say	
Trying to find the light	About to board when you call on the phone	
Like ships in the (1) letting cannon balls fly	You say "I'm sorry, I'll be waiting at home"	
Say what you mean and it turns to a fight	Feels like we're (8)	this out on our own
Fist fly from my mouth as it turns south	Trying to find a way down the road we don't know	
You're down the driveway	Turn the lights down low	
I'm on the couch	Walk these halls alone	
Chasing your dreams since the violent 5th grade	We can feel so far from so close	
Trying to (2) in your silent own way	Like ships in the night	
'Cause we'll be ok	You keep passing me by	
I'm not going away	We're just wasting time	
Like you watched at fourteen	Trying to prove who's right	
As it (3) down the drain	And if it all (9) crashing into the sea	
And pops stayed the same	If it's just you and me	
And your (4) moved away	Trying to find the light	
How many of our parents	Like ships in the night	
Seem to make it anyway	You're passing me by	
We're just fumbling through the grey	You're passing me by	
Trying find a heart that's not walking away	Like ships in the night	
Turn the (5) down low	And I'm gonna find my way	
Walk these halls alone	Back to your side	
We can feel so far from so close	Like ships in the night	
Like ships in the night	You keep passing me by	
You keep passing me by	We're (10) wasting time	
We're just wasting time	Trying to prove who's right	
Trying to prove who's right	And if it all goes crashing into the sea	
And if it all goes crashing into the sea	If it's just you and me	
If it's just you and me	Trying to find the light	
Trying to find the light	Like ships in the night	
Like ships in the night	You're passing me by	
You're passing me by	You're passing me by	
You're passing me by	Like ships in the night
