## Fill in the gaps

How Soon Is Now (Cover) by T.A.T.u.

I am the son and the heir	There's a club if you'd like to go
Of a shyness that is criminally vulgar	You could meet somebody
I am the son and the heir	Who (5) loves you
Of nothing in particular	So you go, and you stand on (6) own
You shut your mouth	And you leave on (7) own
How can you say	And you go home
I go about things the wrong way	And you cry and you want to die
I am human and I need to be loved	When you say it's gonna happen "now"
Just like everybody else does	When exactly do you mean?
I am the son and the heir	See I've already waited too long
Of a (1) that is criminally vulgar	And all my hope is gone
I am the son and the heir	You shut your mouth
Of (2) in particular	How can you say
You shut your mouth	I go about things the wrong way
How can you say	I am (8) and I need to be loved
I go (3) things the wrong way	Just like everybody else does
I am (4) and I need to be loved	
Just like everybody else does
