

Speed Of Sound by Coldplay

How long before I get in?
Before it starts, before I begin
How long before you decide?
Before I know what it feels like
Where to? Where do I go?
If you've never tried then you'll never know
How long do I have to climb
Up on the side of this mountain of mine?
Look up, I look up at night
Planets are moving at the speed of light
Climb up, up in the trees
Every chance (1)_____ you get
Is a Chance you seize
How long am I gonna stand
With my head (2)_____ under the sand?
I'll stop before I can stop
Or before I see (3)_____ the right way up
All that noise and all that sound
All those places I got found
And birds go flying at the speed of sound
To show you how it all began
Birds came flying from the underground
If you (4)_____ see it then you'd understand
Ideas that you'll never find
Or the inventors could never design

Fill in the gaps

The (5)_____ that you put up
Or Japan and China, all lit up
The sign that I couldn't read
Or a light that I couldn't see
Some things you have to believe
But others are puzzles, puzzling me
All that noise and all that sound
All those places I got found
And birds go flying at the speed of sound
To show you how it all began
Birds (6)_____ flying from the underground
If you could see it (7)_____ you'd understand
(Oh) when you see it then you'll understand
All those signs I knew what (8)_____ meant
Some things you can't invent
Some get made and some get sent
...
Birds go flying at the speed of sound
To show you how it all began
Birds came flying from the underground
If you (9)_____ see it then you'd understand
(Oh) when you see it (10)_____ you'll understand
