

He is there

Fill in the gaps

Traffic crawis	(On) I know he is there
Cell phone calls	Yeah, I know he's there
Talk radio (1) at me	Hello world
Through my tinted window I see	How've you been?
A little girl	Good to see you my old friend
Rust red minivan	Sometimes I feel
She's got	As cold as steel
Chocolate on her face	And (4) like I'm never (5) to heal
Got little hands	I see a light
And she waves at me	A little grace
Yeah, she smiles at me	A little faith unfurled
Hello world	Hello world
How've you been?	Sometimes I forget what living's for
Good to see you my old friend	And I hear my (6) through my (7)
Sometimes I feel	door
Cold as steel	And I'll be there
Broken like I'm never gonna heal	(Oh) I'm home again
I see a light	I see my wife
A little hope	My little boy
In a (2) girl	Little girl
Hello world	Hello world
Every day I drive by	Hello world
A little white church	All the (8) disappears
It's got these	I remember why I'm here
Little white crosses	Just surrender and believe
Like angels in the yard	I (9) down on my knees
Maybe I should	(Oh) hello world
Stop on in	Hello world
Say a prayer	Hello world
Maybe (3) to God like

- 2. little
- 3. talk
- 4. broken
