

Fill in the gaps

| Traffic crawls | (Oh) I (6) he is there |
|--------------------------------|---|
| Cell phone calls | Yeah, I know he's there |
| Talk radio screams at me | Hello world |
| Through my tinted window I see | How've you been? |
| A little girl | Good to see you my old friend |
| Rust red minivan | Sometimes I feel |
| She's got | As cold as steel |
| Chocolate on her face | And broken like I'm never going to heal |
| Got (1) hands | I see a light |
| And she waves at me | A little grace |
| Yeah, she smiles at me | A little faith unfurled |
| Hello world | Hello world |
| How've you been? | Sometimes I forget what living's for |
| Good to see you my old friend | And I (7) my life (8) my front |
| Sometimes I feel | door |
| Cold as steel | And I'll be there |
| Broken like I'm (2) gonna heal | (Oh) I'm (9) again |
| I see a light | I see my wife |
| A (3) hope | My (10) boy |
| In a little girl | Little girl |
| Hello world | Hello world |
| Every day I (4) by | Hello world |
| A little white church | All the empty disappears |
| It's got these | I remember why I'm here |
| Little white crosses | Just surrender and believe |
| Like angels in the yard | I fall down on my knees |
| Maybe I should | (Oh) hello world |
| Stop on in | Hello world |
| Say a prayer | Hello world |
| Maybe (5) to God like | |
| He is there | |
