

Alive by Bo Bruce

Fill in the gaps

Walking down the highway
Traffic's coming my way
All I see are flashing lights
People there in blue suits
Wanna know the (1)_____ truth
How many did I have tonight?
Looking at the wreckage
Anyone would (2)_____ that all inside had died
But I'm alive
Wake up in a strange bed
Angels over my head
One of them is shouting clear
Thousand bolts of lightning
Bring me back to life
And it's a miracle that I'm still here
As I'm coming to I'm screaming out for you
I need you by my side
(Oh) I'm alive...
No I didn't pray to God
No I never saw the light
No I didn't watch my life
Go flashing right (3)_____ my eyes
No I didn't do the things
That they all said that I would do
I just (4)_____ my eyes and all I saw was you
All the things in my head
Everything left unsaid
I never got a second to say

Knew that I adored you
The moment that I saw you
Just terrified you'd push me away
We're all dying slowly
Just want you to hold me
What are we waiting for?
We're alive...
No I didn't pray to God
No I never saw the light
No I didn't (5)_____ my life
Go flashing right before my eyes
No I didn't do the things
That (6)_____ all said that I would do
I (7)_____ closed my eyes and all I saw was you
If I don't die (8)_____ in the rain
And I live another day then I run to you
'Cause I don't have regrets
Just things I'd never say out to you
No I didn't pray to God
No I never saw the light
No I didn't watch my life
Go flashing right before my eyes
No I didn't do the things
That they all said (9)_____ I would do
I just closed my eyes and all I saw was you
