

I never got a second to say

Fill in the gaps

Walking down the highway		Knew that I (9)
Traffic's coming my way		The moment (10)
All I see are flashing lights		Just (11)
People there in blue suits		We're all dying slowly
Wanna know the real truth		Just want you to (12)
How many did I have tonight?		What are we waiting for?
Looking at the wreckage		We're alive
Anyone (1) (2)	that all	No I didn't pray to God
(3) had died		No I never saw the light
But I'm alive		No I didn't watch my life
Wake up in a (4) bed		Go flashing (13)
Angels (5) my head		No I didn't do the things
One of them is shouting clear		That they all (14)
Thousand bolts of lightning		I just closed my eyes and
Bring me back to life		If I don't die lying in the rai
And it's a miracle that I'm still here		And I (16) anot
As I'm coming to I'm screaming out for you		'Cause I don't (17)
I need you by my side		Just things I'd (18)
(Oh) I'm alive		No I didn't pray to God
No I didn't pray to God		No I never saw the light
No I (6) saw the light		No I didn't (19)
No I didn't watch my life		Go (20)
Go flashing (7) before my eyes		No I didn't do the things
No I didn't do the things		That they all said that I wo
That they all said (8) I would do		I just closed my eyes and
I just closed my eyes and all I saw was you		
All the things in my head		
Everything left unsaid		

Knew that I (9)	you	
The moment (10)	I saw you	
Just (11)	you'd push me away

No I didn't do the things		
That they all (14)	(15) I would do	
I just closed my eyes and al	I I saw was you	
If I don't die lying in the rain		
And I (16) another	er day then I run to you	
'Cause I don't (17)	_ regrets	
Just things I'd (18)	say out to you	
No I didn't pray to God		
No I never saw the light		
No I didn't (19)	my life	
Go (20)	right before my eyes	
No I didn't do the things		
That they all said that I would do		
I just closed my eyes and all I saw was you
