

## Fill in the gaps

\_\_ hide

When the days are cold	But I am hell bound
And the (1) all fold	Though (16) is all for you
And the (2) we see	Don't (17) to hide the truth
Are all made of gold	No matter what we breed
When your dreams all fail	We still are made of greed
And the (3) we hail	This is my kingdom come
Are the worst of all	This is my kingdom come
And the blood's run stale	When you feel my heat
I want to (4) the truth	Look (18) my eyes
I (5) to (6) you	It's where my (19) hide
But (7) the beast inside	It's where my demons hide
There's nowhere we can hide	Don't get too close
No (8) what we breed	It's dark inside
We still are (9) of greed	It's (20) my demons hide
This is my kingdom come	It's where my demons hide
This is my kingdom come	They say it's what you make
When you feel my heat	I say it's up to fate
Look (10) my eyes	It's (21) in my soul
It's where my demons hide	I (22) to let you go
It's (11) my demons hide	Your eyes, they shine so bright
Don't get too close	I want to save their light
It's dark inside	I can't (23) this now
It's where my (12) hide	Unless you show me how
It's where my demons hide	When you feel my heat
(When) the curtain's call	Look into my eyes
Is the last of all	It's where my demons hide
When the lights fade out	It's where my demons hide
All the sinners crawl	Don't get too close
So (13) dug your grave	It's (24) inside
And the masquerade	It's (25) my demons hide
Will (14) calling out	It's where my demons hide
At the mess you made	
Don't (15) to let you down
