Fill in the gaps

One Year Ago (Live) by Lene Marlin

She's walking there alone	Was one year ago
No one by her side	When you cared so (14) for her
She manages to fight the tears, but	And loved her so
The pain inside	Not a doubt in her mind
She can't hide	That it would (15) be you
And all the tears she's cried	'Cause the love that you shared
The moment she closes her eyes, she starts	It was true
Thinking of you	She's walking there alone
The dreams (1) she had one time	No one by her side
Have (2) away	She managed to (16) the (17) but
Will (3) ever (4) true?	The pain inside
All she (5) is	She can't hide
All she (6) is you	And she wishes today
All she needs is you	Was one (18) ago
And she (7) today	When you cared so much for her
Was one year ago	And loved her so
When you (8) so much for her	Not a (19) in her mind
And (9) her so	That it would still be you
Not a doubt in her mind	'Cause the love that you shared
That it (10) still be you	It was true
'Cause the (11) that you shared	And she wishes today
It was true	Was one year ago
You never thought about it	When you (20) so much for her
What you made her feel	And loved her so
You promised you'd stay together	Not a doubt in her mind
But the hope she (12) had	That it would (21) be you
So unreal	'Cause the (22) that you shared
All she needs is	It was true
All she needs is you	
All she needs is you	
And she (13) today	

1. that
