

## Fill in the gaps

## The Pursuit Of Vikings by Amon Amarth

The (1) sun (2)	again	A ram is sacrificed	
And melts away the snow		Across the longship's bow	
The sea is (3) from icy chains		And as we set our sails	
Winter is (4) go		A strong (14)	starts to blow
Standing on the (5) side		It carries us out to sea	
We can (6) the waves		With (15) of fame and pride	
Calling us out (7) tide		And glorious all will be	
To sail (8) our fate		That (16) sword in hand (17) die	
Oden!		Oden!	
Guide our ships		Guide our ships	
Our axes, spears and swords		Our Axes, (18)	and swords
Guide us (9) storms that whip		Guide us through storms that whip	
And in brutal war		And in (19)	_ war
Our ships await us by the shore		Oden!	
Time has come to leave		Guide our ships	
Our country, family and homes		Our Axes, (20)	and swords
For (10) in the east		Guide us (21)	storms that whip
Some of us won't return		And in brutal war	
But (11) won't bring us down			
Our (12) is (13) in th	ne web		
Woven by the Norns			

## 1. warming
