

Baby they don't know about

Fill in the gaps

They Don't Know About Us by One Direction

People say we (1) be togeth	ner They don't know about us
We're too young to know about forever	They don't know how special you are
But I say (2) don't know	They don't know what you've done to my heart
What they talk talkin' about	They can say (15) they want
(Talk (3) (4) about)	'Cause they don't know (16) us
'Cause (5) love is only getting stronger	They don't know what we do best
So I don't (6) wait any longer	That's between me and you our little secret
I just wanna (7) the world that you're mine gir	But I (17) tell 'em
(Oh)	I wanna tell the world that you're (18) girl
They don't know about the things we do	They don't know about the things we do
They don't know about the I love you's	They don't know about the I love you's
But I bet you if they (8) knew	But I bet you if they only knew
They will just be (9) of us	They will just be jealous of us
They don't know about the up all night's	They don't know (19) the up all night's
They don't (10) I've waited all my life	They don't (20) I've waited all my life
Just to fall in love it feels this right	Just to find a (21) that (22) this righ
Baby they don't (11) about	Baby they (23) know about
They don't know about us	They don't know about the (24) we do
Just one touch and I was a believer	They don't know about the I love you's
Every day it gets a little sweeter	But I bet you if they (25) knew
It's getting better	They will just be jealous of us
Keeps getting better all the time girl	They (26) know about the up all night's
They don't know about the things we do	They don't know I've waited all my life
They don't know about the I love you's	Just to (27) a love that feels this right
But I bet you if they only knew	Baby they don't know about
They (12) just be (13) of us	They don't (28) about us
They don't know about the up all night's	They don't know about us
They don't know I've waited all my life	
Just to find a love that (14) this right	

Answer 1. shouldn't

- 2. they
- 3. talk
- 4. talkin'
