A destiny without you

Fill in the gaps

Silence by Michael Kiske & Amanda Somerville

Is it just a dream	I'm running in the night
Or is it just a deja vu from nowhere?	Got nowhere (2) to hide
I hide myself	I'm looking (3) this wounding
My feelings where hurt long ago	(4) inside me
Just curious in the middle of a lonely road	I'm walking (5) aim
I turn myself away through the day	No destination pouring rain
I'm running in the night	Or is it just the end my lonely road
Got nowhere else to hide	I am ready for a fight
I'm looking through this wounding heart inside me	No matter how you try
I'm walking without aim	I would be the one surviving without fortress
No destination pouring rain	I would mend my broken heart
Or is it just the end my lonely road	You can't tear it apart
Hear it now	Or is it (6) the end my lonely road
I wonder how can feelings hurt	Hear it now
Hear it now	I wonder how can feelings hurt
When (1) speaks louder than words	Hear it now
No regret	When silence (7) (8)
Another morning in another place	(9) words
No looking back,	Hear it now
Just turn myself away	I walk the boulevard of lonely dreams
There is innocence	Hear it now
And silence that starts long ago	No. (10) if
