## Fill in the gaps

#### Silence by Michael Kiske & Amanda Somerville

Is it just a dream	I'm running in the night
Or is it (1) a deja vu from nowhere?	Got nowhere else to hide
I hide myself	I'm (7) through (8) wounding
My feelings where (2) long ago	heart inside me
Just curious in the middle of a lonely road	I'm walking without aim
I turn myself away through the day	No destination pouring rain
I'm (3) in the night	Or is it just the end my lonely road
Got nowhere else to hide	I am ready for a fight
I'm looking through this wounding heart inside me	No matter how you try
I'm walking (4) aim	I would be the one surviving (9) fortress
No destination pouring rain	I would mend my broken heart
Or is it just the end my lonely road	You can't tear it apart
Hear it now	Or is it just the end my lonely road
I (5) how can feelings hurt	Hear it now
Hear it now	I wonder how can feelings hurt
When silence speaks louder than words	Hear it now
No regret	When silence speaks louder than words
Another morning in another place	Hear it now
No looking back,	I (10) the boulevard of lonely dreams
Just turn (6) away	Hear it now
There is innocence	No matter if
And silence that starts long ago	If my end is near
A destiny without you
