

Anything at all

Fill in the gaps

Every time I (1)	(2)	your	You got it
(3) eyes			Baby
I see a (4) that (5)_		(6)	Anything you want (you got it)
can't buy			Anything you (8) (you got it)
One look			Anything at all
From you			(You got it)
I drift			I'm glad
Away			To give
I pray			My love
That you			To you
Are here			I know
To stay			You feel
Anything you want			The way
You got it			I do
Anything you need			Anything you want
You got it			You got it
Anything at all			Anything you need
You got it			You got it
Baby			Anything at all
Every time I hold you			You got it
I begin to understand			Baby
Everything about you			Anything you want
Tells me I'm (7) man			You got it
I live			Anything you need
My life			You got it
To be			Anything at all
With you			You got it
No one			Baby
Can do			Anything at all (you got it)
The things			Baby
You do			You got it
Anything you want			
You got it			
Anything you need			
You got it			

Fill in the gaps
