# When The Wild Wind Blows by Iron Maiden

Have you heard what is coming to us all
That the world as we (1) it
Will be (2) to an end
Have you heard?
Have you heard?
He sees them in the distance
Where the darkened clouds roll
He can feel tension in the atmosphere
He would look in the mirror
See an old man now
Does it matter they survive somehow
They said there's nothing
Can be (3) about the situation
They say there's nothing we can do at all
To sit and wait around for something to occur
Did you know?
Did you know?
As he stares (4) the garden
Looking at the mea dows
Wonders if they'll ever grow again
The desperation of the situation getting graver
Getting ready when the (5) wind blows
Have you (6) what they said on the news today
Have you heard what they said (7) us all
Do you know what is happening
To just everyone of us
Have you heard?
Have you heard?
