

And I'm tired, Effie, I'm tired

Fill in the gaps

Mr. Shue was supposed to love me	Of all the problems you're makin' up
I turn my back	I always knew you two worked together
And find myself out on the line	What?
You could've warned me	I always (6) you two were (7) up
But (1) would've been too kind	on me
I've been warning you for months	Kurt had nothing to do with this change
To clean up (2) act	It was you
You've been late, you've been mean	It was you, always thinking of you
Giving all kind of stupid flack	Always thinking of you
That's a lie, that's a lie	Lay off, Effie
It's just, I haven't been feeling that well	Just take the money and run
Effie, please	You in this with them Puck?
Stop (3) yourself	Cool it, Effie
You've been late, you've been mean	This time you know what you've done
And getting fatter all the time	So they got your behind too, huh?
Now you're lyin', you're lyin'	I said, cool it, Effie.
I've never been so thin	This time you've gone too far
You're lyin', you're lyin'	(Oh) I can go further. I can go further
'Cause you're knockin' off that piece	I don't wanna (8) around this
Thinks she's better than everybody	I'm just breakin' in to this buisness
Runnin' for president	This is between all of you
She ain't better than anybody	This is none of my affair
She ain't nothin' but common	I'm not feelin' well, I got pain
Now you listen to me Ms. Blame-it-on-the-world	(Effie, we all got pain)
I put up with you for much too long	(Oh) for two years I stuck with you
I have put up with your bitchin'	I was your sister
I put up with your naggin'	(You (9) a trouble)
And all your screamin' too	And now you're (10) me, it's all over
(Oohh) now when are you two gonna to stop	(And now telling you, it's all over)
All this fighting!?	And now, I'm telling you, I ain't goin'
Stay out of this Finn	(It's all over)
This is between Santana and me	I ain't goin'
Yeah! Well it's between me too	(It's all over)
I'm as (4) a part of this (5) as	
anyhody else	

- 1. that
- 2. your
- 3. excusing
- 4. much
- 5. group
- 6. knew
- 7. ganging
- 8. stay
- 9. were
