## Young And Beautiful by Lana Del Rey

Done it all		But my aching soul
Had my (1) now		I know you will
Diamonds, brilliant		I know you will
And Bel Air now		I know that you will
Hot summer nights		Will you still love me
Mid-July		When I'm no longer beautiful
When you and I were forever wild		Dear Lord, when I get to Heaven
The crazy days		Please let me bring my man
City lights		When he comes, (5) me that you'll let him in
The way you'd play with me like a child		Father, tell me if you can
Will you still love me		All that grace
When I'm no longer		All that body
Young and beautiful		All that face
Will you still love me		Makes me wanna party
When I've got nothing		He's my sun
But my aching soul		He makes me shine
know you will		Like diamonds
know you will		Will you still love me
know that you will		When I'm no longer
Will you still (2) me		Young and beautiful
When I'm no longer beautiful		Will you (6) love me

As my stage now		But my aching soul
Channeling angels in		I know you will
The new age now		I know you will
Hot (4)	days	I (7) that you will
Rock and roll		Will you still (8) me
The way you'd play for me at your show		When I'm no longer beautiful
