Let's Make A Night To Remember by Bryan Adams

I love the way you look tonight	Let's do something that's all the way
With your hair hanging down on your shoulders	'Cause I never touched somebody
And I (1) the way you dance your (2)	Like the way I touch your body
sweet tango	Now I never want to let your body go
The way you wanna do everything but talk	Let's make a night
And how you stare at me with those undress me eyes	To remember
Your breath on my body makes me warm inside	From January
Let's make out	To December
Let's do something amazing	Let's make love
Let's do something that's all the way	To excite us
'Cause I never touched somebody	A memory
Like the way I (3) your body	To ignite us
Now I never want to let your body go	Let's make honey, baby
Let's (4) a night	Soft and tender
To remember	Let's make sugar, darling
From January	Sweet surrender
To December	Let's make a night
Let's make love	To remember
To excite us	All life long
A memory	(Oh) I think about you all the time
To (5) us	Can't you see you drive me outta my mind
Let's make honey, baby	Well, I'm never hodin' (7) again
Soft and tender	Ya, I never want this night to end
Let's make sugar, darling	'Cause I never (8) somebody
Sweet surrender	Like the way I touch (9) body
Let's make a night	Now I never want to let your body go
To remember	Let's make a night
All life long	To remember
I love the way you move tonight	From January
Beads of sweat dripping down your skin	To December
Me (6) here	
And you lying there	
Our shadows on the wall and our hands everywhere
