

Let's make out

Let's do something amazing

Fill in the gaps

Let's Make A Night To Remember by Bryan Adams

I love the way you look tonight	Let's do something that's all the way
With your hair hanging down on your shoulders	'Cause I (6) touched somebody
And I love the way you (1) your slow sweet	Like the way I touch your body
tango	Now I (7) (8) to let your body go
The way you wanna do everything but talk	Let's (9) a night
And how you stare at me (2) (3)	To remember
undress me eyes	From January
Your breath on my body makes me warm inside	To December
Let's make out	Let's make love
Let's do something amazing	To excite us
Let's do something that's all the way	A memory
'Cause I never touched somebody	To ignite us
Like the way I touch your body	Let's make honey, baby
Now I never (4) to let your body go	Soft and tender
Let's make a night	Let's (10) sugar, darling
To remember	Sweet surrender
From January	Let's make a night
To December	To remember
Let's make love	All life long
To excite us	(Oh) I think about you all the time
A memory	Can't you see you drive me outta my mind
To ignite us	Well, I'm never hodin' back again
Let's make honey, baby	Ya, I never want this night to end
Soft and tender	'Cause I never touched somebody
Let's make sugar, darling	Like the way I touch your body
Sweet surrender	Now I never want to let your body go
Let's make a night	Let's make a night
To remember	To remember
All life long	From January
I (5) the way you move tonight	To December
Beads of sweat dripping down your skin	
Me lying here	
And you lying there	
Our shadows on the wall and our hands everywhere
