

Fill in the gaps

If (1) had a face	I tried to (17) this mind
I think it would kind of look like mine	You better believe (18) I have tried
If it had a home would it be my eyes	To beat this
Would you believe me if I (2) I'm tired of this	So when will this end
Well (3) we go now one more time	It (19) on and on
'Cause I tried to climb your steps	Over and over again
I tried to chase you down	Keep spinning around
I tried to see	I know that it won't stop
How low I can get down to the ground	'Till I step down from this
I tried to (4) my way	Sick cycle carousel
I (5) to tame this mind	This is a sick cycle, yeah
You better believe that I have tried	Sick cycle carousel
To beat this	This is a sick cycle, yeah
So when will this end	
It (6) on and on	So (20) (21) (22) end
Over and over again	It goes on and on
Keep spinning around	Over and over and (23) again
I know that it won't stop	Keep (24) around
'Till I (7) down from (8) for good	I know that it won't stop
I (9) thought I'd end up here, never	'Till I step (25) (26) this for good
Thought I'd be standing (10) I am	Sick cycle carousel
I guess I (11) of thought	Sick cycle carousel
That it would be easier (12) this	Sick (27) carousel
I guess I was wrong now one (13) time	Sick cycle carousel
'Cause I (14) to (15) your steps	Sick cycle carousel
I tried to chase you down	Sick cycle carousel
I (16) to see	Sick cycle
How low I can get down to the ground	
I tried to earn my way
