

Fill in the gaps

I found God	Surrounded
On the corner of 1st and Amistad	Surrounded
Where the West was all but won	Why'd you (12) to wait?
All alone	Where were you?
Smoking his last cigarette	Where were you?
I (1) "where you been?"	Just a little late
He said "ask anything"	You found me
Where (2) you	You found me
When everything was falling apart?	The (13) morning
All my days	The (14) breaks
Were (3) by the telephone	And I've been calling
That (4) rang	For years and years and years
And all I needed was a call	And you (15) me no messages
That never came	You (17) sent me no letters
To the (5) of 1st and Amistad	You got (18) kind of nerve
Lost and insecure	Taking all I want
You (6) me	Lost and insecure
You found me	You found me
Lying on the floor	You found me
Surrounded	Lying on the floor
Surrounded	Where (19) you?
Why'd you have to wait?	Where were you?
Where (7) you?	Lost and insecure
Where (8) you?	You found me
Just a little late	You found me
You (9) me	Lying on the floor
You found me	Surrounded
But in the end	Surrounded
Everyone ends up alone	Why'd you (20) to wait?
Losing her	Where (21) you?
The (10) one who's ever known	Where were you?
Who I am	Just a little late
Who I'm not and who I wanna be	You (22) me
No way to know	You (23) me
How long she (11) be next to me	Why'd you (24) to wait
Lost and insecure	To find me
You found me	To find me?
You found me	
Lying on the floor
