## Where The Streets Have No Name by U2

	Trampled in dust
I want to run	I'll show you a place
I want to hide	High on a desert plain
I (1) to tear down the walls	Where the streets have no name
That hold me inside	
I want to reach out	Where the streets have no name
And touch the flame, yeah	Where the (9) have no name
Where the streets have no name	We're still building, then burning down love
I want to feel sunlight on my face	Burning down love
I see the dust cloud disappear	And when I go there
Without a trace	I go there with you
I (2) take shelter	It's all I can do
From the poison rain, yeah	Our love turns to rust
Where the streets have no name	We're beaten and blown by the wind
	Blown by the wind
Where the streets have no name	See our love turn to rust
Where the streets have no name	I'll be beaten and blown by the wind
We're (3) building, then (4)	Blown by the wind
(5) love	(Oh) and when I go there
Burning down love	I go there with you
And when I go there	It's all I can do
I go there (6) you	
It's all I can do	
The (7) a flood	
And our love turns to rust	
We're beaten and (8) by the wind
