## Where The Streets Have No Name by U2

	Trampled in dust
I want to run	I'll show you a place
I (1) to hide	High on a desert plain
I want to tear (2) the walls	Where the streets have no name
That hold me inside	
I want to reach out	Where the streets have no name
And (3) the flame, yeah	Where the (11) (12) no name
Where the streets (4) no name	We're (13) building, then (14)
I want to (5) sunlight on my face	down love
I see the dust cloud disappear	Burning (15) love
Without a trace	And when I go there
I (6) take shelter	I go there (16) you
From the poison rain, yeah	It's all I can do
Where the streets have no name	Our (17) turns to rust
	We're beaten and (18) by the wind
Where the streets have no name	Blown by the wind
Where the (7) have no name	See our love (19) to rust
We're (8) building, then burning down love	I'll be beaten and (20) by the wind
Burning down love	Blown by the wind
And (9) I go there	(Oh) and (21) I go there
I go there with you	I go (22) with you
It's all I can do	It's all I can do
The city's a flood	
And our (10) turns to rust	
We're beaten and blown by the wind
