

## Fill in the gaps

I'll protect you, don't be scared
No matter what, I will be there
I'll be gentle, I'll be light
These are the words you whispered in the night
Here I am
Here I am
Now I'm standing in the cold
Everything is said and done
Atomic winter in my soul
From the absence of the sun
The only remedy I know
Is I gotta let you go
Here I am
Here I am
But where were you when I was scared
A broken (1) (2) me here
A post-it note is what I've got
It says, I'm sorry but I know you're not
So (3) I am
Yeah
Here I am
Now I'm standing in the cold
Everything is said and done
Atomic (4) in my soul
From the absence of the sun
The only remedy I know
Is I gotta let you go

Here I am
Here I am
There (5) come a day
When all of (6) is in my past
And (7) will (8) a day
When you're out of my head at last
I'm trying not to fall
Damn, it's such a long way down
But here I am
Yeah, yeah
And now I'm standing in the cold
Everything is said and done
Atomic winter in my soul
From the absence of the sun
The only remedy I know
Is I gotta let you go
Now I'm standing in the cold
Everything is said and done
Yeah
From the (9) of the sun
The only remedy I know
Is I gotta let you go
Here I am
Here I am
