

## Fill in the gaps

One two	Climbing up (16) that I (17) knew
Do you remember when the (1) fell	were there
Do you remember the sound (2) the door made	And (18) lost
When you closed it on me	Broken (19) the middle of my heart, heart
Do you (3) (4) I (5) down	I'm broken (20) the (21) of my
To the ground and landed on both	heart, heart
My broken-hearted knees	You know you (22) me a ghost
I didn't even cry	(Oh) you make me a ghost
Because pieces of me had already died	You take the breath all away from me
I'm a (6) haunting (7) halls	You take it away
Climbing up walls that I never (8) were there	You make me a ghost
And I'm lost	I don't cry
Broken down the middle of my heart, heart	I don't try anymore
I'm broken down the (9) of my heart, heart,	I'm a ghost
heart	I'm a ghost
You know you make me a ghost	And I'm lost
You make me a ghost	Broken down the middle of my heart, heart
I'm an invisible disaster	I'm broken down the middle
I keep (10) to walk	I'm a ghost haunting (23) halls
But my (11) don't find the (12)	Climbing up walls that I never knew were there
ground	And I'm lost
It's like (13) in a bad dream	Broken down the middle of my heart, heart
I keep trying to scream	I'm (24) down the (25) of my
But my (14) has finally lost its sound	heart, heart
I've got to say goodbye	You (26) you make me a ghost
To the pieces of me (15) have already died	You make me a ghost
I'm a ghost haunting these halls
