Hold On Till May by Pierce The Veil

I heard the train shake the windows

Fill in the gaps

She sits up high	You screamed over the sound
Surrounded by the sun	And as we own this night
One million branches and she loves every one	I put your (6) to the test (7) mine
Mom and dad, did you search for me?	This love was out of control
I've been up here so long I'm going crazy	3-2-1 (8) did it go?
And as the sun went down	If I were you, I'd put that away
We ended up on the ground	See, you're just wasted
I heard the train shake the windows	And thinking about the past again
You screamed over the sound	Darling you'll be okay
And as we own this night	And she said
I put your (1) to the test (2) mine	If you were me, you'd do the same
This love was out of control	'Cause I can't take anymore
3-2-1 where did it go?	I'll draw the shades and close the door
Now don't be crazy	Everything's not alright and I would rather
Yes now of course you can stay here	And as the sun went down
Been in a touring band for going on ten years	We ended up on the ground
Big deal, I guess you're official	I heard the train shake the windows
I (3) said it 'cause I know what it's like to feel	You screamed over the sound
Burned out	And as we own (9) night
It gets you down	I put (10) body to the test with mine
We've all been there sometimes	This love was out of control
But tonight I'll make you feel beautiful (4) again	Tell me where did it go?
And as the sun (5) down	
We ended up on the ground
