## Hold On Till May by Pierce The Veil

She sits up high	You screamed over the sound
Surrounded by the sun	And as we own this night
One million branches and she loves every one	I put (12) body to the test (13) mine
Mom and dad, did you (1) for me?	This love was out of control
I've been up here so long I'm (2) crazy	3-2-1 where did it go?
And as the sun went down	If I were you, I'd put that away
We ended up on the ground	See, you're (14) wasted
I (3) the train shake the windows	And thinking about the past again
You screamed (4) the sound	Darling you'll be okay
And as we own this night	And she said
I put your body to the test (5) mine	If you (15) me, you'd do the same
This love was out of control	'Cause I can't (16) anymore
3-2-1 (6) did it go?	I'II (17) the (18) and
Now don't be crazy	(19) the door
Yes now of (7) you can stay here	Everything's not (20) and I
Been in a touring band for going on ten years	(21) rather
Big deal, I guess you're official	And as the sun went down
I only said it 'cause I know what it's (8) to feel	We ended up on the ground
Burned out	I heard the train shake the windows
It gets you down	You (22) over the sound
We've all been there sometimes	And as we own this night
But (9) I'll make you feel beautiful	I put your body to the test with mine
(10) again	This (23) was out of control
And as the sun went down	Tell me where did it go?
We ended up on the ground	
I heard the (11) shake the windows
