Hold On Till May by Pierce The Veil

I heard the train shake the windows

Fill in the gaps

She sits up high	You screamed (4) the sound
Surrounded by the sun	And as we own this night
One million branches and she loves every one	I put your (5) to the test with mine
Mom and dad, did you search for me?	This love was out of control
I've been up here so long I'm going crazy	3-2-1 where did it go?
And as the sun went down	If I were you, I'd put that away
We ended up on the ground	See, you're just wasted
I heard the train (1) the windows	And thinking about the past again
You screamed over the sound	Darling you'll be okay
And as we own this night	And she said
I put your body to the test with mine	If you were me, you'd do the same
This love was out of control	'Cause I can't take anymore
3-2-1 where did it go?	I'll draw the (6) and close the door
Now don't be crazy	Everything's not alright and I would rather
Yes now of course you can (2) here	And as the sun went down
Been in a touring band for going on ten years	We (7) up on the ground
Big deal, I guess you're official	I heard the train (8) the windows
I only said it 'cause I know what it's like to feel	You screamed over the sound
Burned out	And as we own this night
It gets you down	I put your body to the test with mine
We've all been there sometimes	This love was out of control
But tonight I'll (3) you feel beautiful once again	Tell me (9) did it go?
And as the sun went down	
We ended up on the ground
