## Suspicious Minds by Elvis Presley

## Fill in the gaps

vve re caught in a trap	Mmm yean, yean
I can't walk out	We're caught in a trap
Because I (1) you too much baby	I can't walk out
Why can't you see	Because I love you too much baby
What you're (2) to me	Why can't you see
When you don't believe a word I say?	What you're doing to me
We can't go on together	When you don't believe a word I say?
With suspicious minds	We're caught in a trap
And we can't build our dreams	I can't walk out
On suspicious minds	Because I love you too (6) baby
So, if an old friend I know	Don't you know I'm (7) in a trap
Drops by to say hello	I can't walk out
Would I (3) see suspicion in your eyes?	Because I love you too much baby
Here we go again	Don't you know I'm caught in a trap
Asking where I've been	I can't walk out
You can't see these tears are real	Because I (8) you too much baby
I'm crying	Don't you know I'm caught in a trap
We can't go on together	I can't walk out
With suspicious minds	Because I love you too (9) baby
And we can't (4) our dreams	
On suspicious minds	
Oh let our love survive	©SONY/ATV (10) LLC
Or dry the tears from your eyes	
Let's don't let a (5) thing die	
When honey, you know	
I've never lied to you
