

Fill in the gaps

We're (1) in a trap	Mmm yeah, yeah
I can't walk out	We're caught in a trap
Because I love you too (2) baby	I can't (11) out
Why can't you see	Because I (12) you too much baby
What you're doing to me	Why can't you see
When you don't (3) a (4) I say?	What you're doing to me
We can't go on together	When you don't believe a (13) I say?
With suspicious minds	We're caught in a trap
And we can't (5) our dreams	I can't (14) out
On (6) minds	Because I (15) you too much baby
So, if an old friend I know	Don't you know I'm caught in a trap
Drops by to say hello	I can't (16) out
Would I still see suspicion in (7) eyes?	Because I (17) you too much baby
Here we go again	Don't you know I'm caught in a trap
Asking where I've been	I can't (18) out
You can't see (8) tears are real	Because I (19) you too much baby
I'm crying	Don't you (20) I'm caught in a trap
We can't go on together	I can't walk out
With suspicious minds	Because I love you too (21) baby
And we can't build our dreams	
On suspicious minds	
Oh let our love survive	©SONY/ATV SONGS LLC
Or dry the tears from your eyes	
Let's don't let a (9) thing die	
When honey, you know	
I've never (10) to you
