

## Fill in the gaps

| I got a certan little girl she's on my mind         | I need her loving and I'm not to (5) now            |
|-----------------------------------------------------|-----------------------------------------------------|
| No doubt about it she looks so fine                 | They got it early in the morning                    |
| She's the best girl that I ever had                 | Late in the evening                                 |
| Sometimes she's (1) make me (2) so                  | Hush                                                |
| bad                                                 | I (6) I heard her calling my name now               |
| Yeah, she's gonna make me feel so bad               | Hush                                                |
| She's got loving like quicksand                     | She broke my heart but I love her just the same now |
| Only took one touch of her hand                     | Hush                                                |
| To blow my mind and I'm in so deep                  | I thought I heard her (7) my (8)                    |
| I can't eat and I can't sleep                       | now                                                 |
|                                                     | Hush, hush                                          |
| (Nah, nah-nah-nah, nah-nah, nah-nah-nah)            | I need her (9) and I'm not to blame now             |
| (Oh)                                                | They got it early in the morning                    |
| (Nah, nah-nah-nah, nah-nah, nah-nah-nah)            | Late in the evening                                 |
| Yeah, oh yeah                                       |                                                     |
| Hush, hush                                          | (Nah, nah-nah-nah, nah-nah, nah-nah-nah)            |
| I thought I heard her calling my (3) now            |                                                     |
| Hush                                                | (Nah, nah-nah-nah, nah-nah, nah-nah-nah)            |
| She broke my heart but I love her just the same now | (Nah, nah-nah-nah, nah-nah, nah-nah-nah)            |
| Hush                                                |                                                     |
| I thought I heard her calling my (4) now            |                                                     |
| Hush, hush                                          |                                                     |
