And she loves to dance

vveil i come (1) a little bitty
Homegrown small town
Smoky Mountains, nice place to hang around
Moonshine, that's where they make it
Put it in a jug, makes you (2) get naked
But I jumped on a greyhound bus one night
And took it all the way to the end of the line
Stepped out in the sun
When my feet hit the sand
What a long strange trip
I spent my whole life running around
Still let the wind (3) blow me around
Well I dropped a note in a bottle
To a long-legged model
And I (4) it in for a whole 'nother world
A pirate flag and an island girl
Well my friends back home
Think I've gone and lost my mind
Take a sip of rum
And you really would know why
Jolly Roger flying on the picnic table
Blender in the kitchen, willin' and able
Don't (5) what makes you say "what the hell"
But when the salt air catches a (6) of that sail
Something 'bout it makes her just wanna dance

I spent my whole (7) running around
Still let the wind kinda blow me around
Well I dropped a note in a bottle
To a long-legged model
And I traded it in for a whole 'nother world
A pirate (8) and an island girl
Pirate flag and an island girl
(Island girl)
Well I remember back home 'neath the big ol' moon
Tucked back in the woods, yeah life was good
But here we are in a local bar
And drinkin' shooting stars
I might spend my whole life running around
Still let the wind kinda blow me around
Well I dropped a note in a bottle
To a long-legged model
And I (9) it in for a whole 'nother world
A pirate flag and an island girl
A pirate flag and an island girl
A pirate flag and an island girl
A pirate flag and an (10) girl
A pirate flag and an island girl
