# Fill in the gaps

## Same Love by Macklemore & Ryan Lewis

When I was in the third grade
I (1) that I was gay
'Cause I could draw, my uncle was
And I kept my room straight
I told my mom
Tears rushing down my face
She's like, Ben you've loved girls since before pre-K
Tripping
Yeah, I guess she had a point, didn't she
A bunch of stereotypes all in my head
I remember doing the math like, yeah
I'm good at little league
A pre-conceived (2) of what it all meant
For those that like the same sex
Had the characteristics
The right-wing conservatives
Think it's a decision
And you can be cured
With (3) treatment and religion
Man-made, rewiring of a pre-disposition
Playing God
Oh no, here we go
America the brave
Still fears what we don't know
And God loves all his children
It's (4) forgotten
But we paraphrase a book written
Thirty five hundred years ago

I don't know

### Fill in the gaps

Even if I tried Even if I wanted to And I can't change Even if I tried Even if I wanted to My love, my love, my love She keeps me warm She keeps me warm She keeps me warm She keeps me warm If I was gay I would think hip-hop hates me Have you read the YouTube comments lately Man that's gay Gets dropped on the daily We've become so numb to what we're saying Our culture founded from oppression Yet we don't have acceptance for them Call each other faggots Behind the keys of a message board A word rooted in hate Yet our genre still ignores it Gay is synonymous with the lesser It's the same hate that's caused (5)\_\_\_\_\_ from religion Gender to skin color A complexion of your pigment The same fight that led people to walk-outs and sit-ins

There's human rights for everybody

### Fill in the gaps

Live on And be yourself When I was in church they (6)\_\_\_\_\_ me something else If you preach hate at the service Those words aren't anointed And that Holy Water That you soak in is then poisoned When everyone else is more comfortable Remaining voiceless rather than fighting for humans That have had their rights stolen I might not be the same But that's not important No freedom till we're equal Damn right I (7)\_\_\_\_\_ it I don't know And I can't change Even if I tried Even if I wanted to My love, my love, my love She keeps me warm She keeps me warm She keeps me warm She keeps me warm We press play Don't (8)\_\_\_\_\_ pause Progress, march on With a veil over our eyes We turn our back on the cause

Till the day that my uncles can be united by law

#### Kids are walking around the hallway

#### Plagued by pain in their heart

A world so hateful

Some would rather die than be who they are

And a certificate on paper

Isn't gonna solve it all

But it's a damn good place to start

No law's gonna change us

We have to change us

Whatever god you believe in

We come from the same one

Strip away the fear

Underneath it's all the same love

About time that we raised up

And I can't change

Even if I tried

Even if I wanted to

And I can't change

Even if I tried

Even if I wanted to

My love, my love, my love

She keeps me warm

She keeps me warm

She keeps me warm

She keeps me warm

Love is patient, love is kind

Love is patient, love is kind

Love is patient (not crying on Sundays)

Love is kind (not crying on Sundays)

Love is (9)\_\_\_\_\_ (not crying on Sundays)

Love is kind (not (10)\_\_\_\_\_ on Sundays)
