And I can't change
Even if I tried
Even if I wanted to
And I can't change
Even if I tried
Even if I wanted to
My love, my love, my love
She keeps me warm
If I was gay
I (9) think hip-hop (10) me
Have you read the YouTube comments lately
Man that's gay
Gets dropped on the daily
We've become so (11) to what we're saying
Our culture founded from oppression
Yet we don't (12) acceptance for them
Call (13) other faggots
Behind the keys of a message board
A word (14) in hate
Yet our genre (15) ignores it
Gay is synonymous with the lesser
It's the same hate that's caused wars from religion
Gender to skin color
A complexion of your pigment
The same (16) that led people to walk-outs and sit-ins
There's (17) rights for everybody

Fill in the gaps

There is no difference Live on And be yourself When I was in church they taught me something else If you preach hate at the service Those (18)_____ aren't anointed And that (19)_____ Water That you soak in is then poisoned When everyone else is more comfortable Remaining voiceless rather than fighting for humans That have had (20)______ stolen I might not be the same But that's not important No freedom till we're equal Damn right I support it I don't know And I can't change Even if I tried Even if I wanted to My love, my love, my love

She (22)_____ me warm

She keeps me warm

She keeps me warm

She (23)_____ me warm

We press play

Don't press pause

Progress, march on

With a veil over our eyes

We turn our back on the cause

Till the day that my uncles can be united by law

Kids are walking around the hallway
Plagued by pain in their heart
A world so hateful
Some would rather die than be who they are
And a certificate on paper
Isn't (24) solve it all
But it's a damn good place to start
No law's (25) change us
We have to change us
Whatever god you believe in
We come from the same one
Strip away the fear
Underneath it's all the same love
About (26) that we raised up
And I can't change
Even if I tried
Even if I wanted to
And I can't change
Even if I tried
Even if I wanted to
My love, my love, my love
She (27) me warm
She keeps me warm
She keeps me warm
She keeps me warm
Love is patient, love is kind
Love is patient, love is kind
Love is patient (not crying on Sundays)
Love is kind (not crying on Sundays)

Love is patient (not crying on Sundays)

Love is kind (not crying on Sundays)

Love is patient (not crying on Sundays)
Love is (28) (not crying on Sundays)
Love is patient (not crying on Sundays)
Love is kind (not crying on Sundays)
